Instead of fouling the hair with a pasty sediment, it will keep it cleau and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparatious dangerous and injurious to the hair, the Vigor can

ouly beuefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable.

Containing neither oil uor dye, it does not soil white cambrie, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

As its name implies, it does Cure, and does not fail. Containing neither Arsenle, Quinine, Bismuth, Zine, nor any other mineral or pohenous substance whatever, it in nowise injures any patient. The number and importance of its cures in the agare districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGCE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilous Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
